REMO ENDORSED

RE: Lightbox Ventures, LLC vs. 3rd Home Limited et al. Case No.: 1:16-cv-02379-DLC

Dear Judge Cote,

We write to respectfully request that Your Honor extend the deadline to begin mediation pursuant to Your Honor's Order of November 13, 2017 (PACER Doc. # 150) to January, 2018. Upon conferring with the mediator referred to the matter, it was learned that he had only three dates available for all of December, two of which the Plaintiff is unable to attend and the third the Defendants are unable to attend. However, all parties have committed to appear in good faith on January 8, 2018 upon Your Honor's approval. So too in order to help the mediation be meaningful and to limit pretrial work and expenses till after the mediation either works or not, as it is believed the initial schedule was intended and had the practical impact of doing, please reschedule the trial date for 30-60 days from the current date of February 5, 2018.

We appreciate Your Honor's kind attention, and we are available for any questions.
